Annual Conference on Health and Food Science Technology (ACHOST) 2020

1ST Annual Conference on Health and Food Science Technology (ACHOST) 2020

We are glad to introduce you the proceedings of the first Annual Conference on Health and Food Science Technology (ACHOST) 2020. The 1st ACHOST 2020 addresses challenges and innovations the field of Food Science and Health, Environmental Science and Issue, Earth Science and Technology. It also provides a premier interdisciplinary platform for researchers, educators and practitioners to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of applied science, technology, and engineering.

As we may aware, the World Health Organization officially declared the novel coronavirus COVID-19 a pandemic. Governments around the world are now issuing restrictions on travel, gatherings, and meetings in an effort to limit and slow the spread of the virus. The health and safety of the author and reseacher community is our first priority and we are supporting these efforts. Therefore, the ACHOST conference was held virtually on 25 November 2020.

The ACHOST conference is hosted by PT. Kresna Acitya Nusantara Mediatama and co-hosted by Universitas Muhammadiyah Sidoarjo, Relawan Jurnal Indonesia. This year, we held this flexible online conference to gather experts and scholars around the globe with the aim to continue disseminating the latest advanced research in the field of Food Science and Health, Environmental Science and Issue, Earth Science and Technology. The conference was held from Yogyakarta as the host of the event. The ACHOST 2020 event is virtually implemented with a model that all invited speakers are given time to present their material for about 30-45 minutes each. It then followed by a question and answer by the participants with a direct questioning system, through chat forums and Q&A forums provided by the zoom application. Overall, the conference took 6 hours.

The number of participants who joined the zoom room was recorded around 341 participants. The authors or participants are came from 5 countries, namely Indonesia, Malaysia, Brunei Darussalam, Philippine and India. Indonesian Participants are come from 19 Provinces of 33 Provinces.

The committee of the conference are honored to have invited following renowned experts as our keynote speakers. Wahyu Caesarendra, PhD from Universiti Brunei Darussalam; Andri Pramesyanti, Ph.D from Universitas Pembangunan Nasional Veteran Jakarta.

We are glad to share with you that around 155 pre-registered authors are submitted their work in the conferences. However, its about 97 papers are selected and accepted for the conferences. All the papers have been through rigorous review by a panel of reviewers who provide critical comments and corrections, and have contributed substantially to the improvement of the quality of the papers to meet the requirements of International publication standard and IOP EES Scope.

We would like to express our sincere gratitude to the Chairman, the distinguished keynote speakers, as well as all the participants. We also want to thank the publisher for publishing the proceedings. May the readers could enjoy the gain some valuable knowledge from it. We are expecting more and more experts and scholars from all over the world to join this international event next year.
