Subject: Publication Certificate

Dear Rr. M. I. Retno Susilorini,

We are very pleased to inform you that your following articles

1. Flexural Deformation of Expanded Polystyrene Concrete Sandwich Beam: An Experimental Study
2. Masonry Walls Retrofitting with Eco-Concrete Bricks in Tidal Flooding
3. Carbohydrate Polymers for Green Multi-Purpose Mortar
4. Evaluating Couple Simple Shear Wall as Low-cost Masonry Wall"

are peer reviewed and accepted by our Editor-in-Chief/Editorial Board Members.

The article will be published in **International Journal of Engineering Research and Technology (IJERT) ISSN 0974-3154, Volume 13 and Issue 3 (March-2020), SCOPUS Indexed.**

Kindly note that, currently India is under lock down till 3rd May 2020 due to the spreading of Corona Virus (Covid-19). At present we cannot access the office and server to publish the issue 3 online. The complete issue 3 will be published online after the 3rd May 2020.

This journal is **indexed in SCOPUS** and it is published by International Research Publication House, New Delhi, India.

We thank you for this opportunity to publish your valuable work.
