Appendix 3: Results of Observation, interview, and writing recount text by students.

https://drive.google.com/drive/folders/1wGMWg0PgwvVn1blMlFGM86RLYUB WudVg.

No	Aspect	Result
1	The teacher asks students	The teacher gave three questions to
	questions regarding the meaning,	several students randomly. The first
	social function and structure of	question was, "What is the meaning of
	the recount text and the students	recount text?" The second question
	are able to answer questions from	was, "What is the social function of
	the teacher regarding the	recount text?" and the third was,
	meaning and social function of	"What is the generic structure of
	the recount text.	recount text?" For the first question,
		all the students chosen to answer
		correctly explained the meaning of a
		recount text. The second question also
		received well and correct answers
		from the students. However, with the
		third question, there were still some
		students who answered incorrectly.

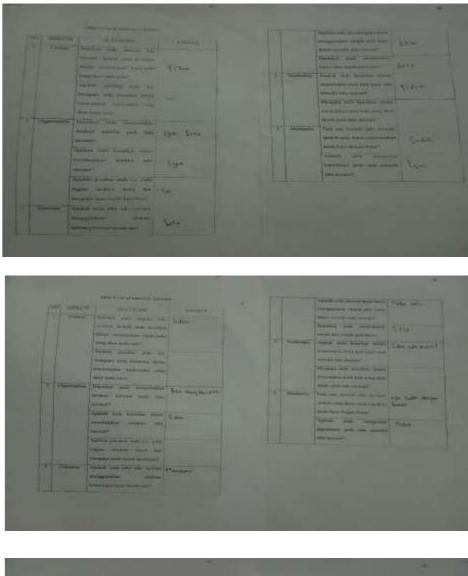

APX.3 1 Observation Result

		Despite this, other students were able
		to provide the correct answer
2	Students are able to mention and	The teacher explained the language
	explain the language features of	features of recount text, which
	recount text	include using the simple past tense,
		using temporal sequence, using
		specific participants, using
		conjunctions, and using action verbs.
		However, when the teacher explained
		these features, the students seemed
		unfocused. When the teacher asked a
		trigger question regarding the
		language features, some students
		were unable to answer and looked
		confused
3	Students are able to explain the	The teacher explained and provided
	sentence structure of recount text	an example demonstrating that
		recount text is written using the
		simple past tense. The teacher
		mentioned the formula for the simple
		past tense and gave examples. During
		this time, the students paid close
		attention to how to implement the

		simple past tense formula, but they
		still appeared confused about it
4	The teacher gives examples of	The teacher explained and gave
	how to write well and correctly	examples to the students about the
	(planning, drafting, editing	steps to write well and correctly,
	(reflection and revision), and final	including planning, drafting, editing,
	version.	and producing a final version.
		Throughout the explanation, the
		teacher asked several stimulating
		questions to engage the students
		further in understanding the process.
		While explaining and demonstrating
		the steps, the students paid close
		attention to the teacher's explanation.
		However, there were some students,
		specifically the male students, who
		did not pay attention to the teacher's
		instructions. Despite this, when the
		teacher asked the trigger questions,
		the students were able to respond,
		although they still appeared confused
		and hesitant in their answers.

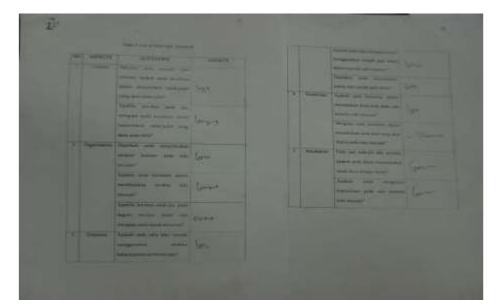

5	Students are given time by the	At the end of the material, the teacher
	teacher to discuss or ask	provided time for discussion or for
	questions about recount text	students to ask questions. However,
	material	none of the students asked any
		questions and they said that they had
		understood the recount text material.
		Despite their claims, the researcher
		observed that the students still did not
		seem to have mastered the material,
		but they were reluctant to ask the
		teacher for clarification.
